GYMMARK ACCREDITATION

British Gymnastics has approved Revolution as a Safe, Effective, Child Friendly Club and previously nominated us as a candidate for the prestigious 'Club of the Year Award'.

STAFF

All coaches and helpers have completed a DBS (criminal records check), have attended training for safeguarding children and hold BG Membership insurance along with relevant coaching qualifications to enable a safe friendly environment.

JOINING FEES/ INSURANCE:

Club Membership/ Joining Fee – See website for current membership costs All members must pay an annual fee: Sept – Sept. This DOES NOT apply to drop in sessions.

Break-down: British Gymnastics Insurance / West Midlands Amateur Gymnastics Affiliation / Club Funds

Register with British Gymnastics once you have paid us: <u>www.british-gymnastics.org</u> If you are new in August DO NOT register until the end of September so that your Membership payment is valid for the following insurance year and not the tailend of this year.

TRAINING FEES

The more hours of training you pay for, the more the hourly rate decreases in price! Many of our members train more than once per week. Check out 'Prices/ Fees' on our website. Monthly fees will be reviewed every September and adjusted accordingly.

CENTRE CLOSURES

Fees are calculated based on 47 weeks of the year, split across 12 monthly instalments. See website for closure dates.

All classes are billed monthly on $1^{\mbox{st}}$ using our iClassPro system

ATTENDANCE / LATENESS

We allow gymnasts 5 minutes leeway at the start of classes in case of unexpected delays, the door to their class will be left open throughout this time. After this time, the door will be closed, and your gymnast will not be able to gain entry to that **session.** At the start of the session, all participants will be taking part in a physical and psychological warm up; this is vital for the safety of all gymnasts and must be undertaken prior to participating in the session fully. Not taking part in the warm up invalidates the gymnast's insurance. We understand that if this happens to you, it is not the ideal situation but please respect the rules and treat all members of staff with respect. Please try to arrive to sessions early where possible to allow enough time for traffic, parking and changing of clothes prior to the start of the session.

ENTRY AND EXIT DOORS

Access to our reception and café area can be gained through our main entrance at the front of the building (a grey door between door 1 and 2). All of our classes have different entry and exit doors to keep the classes flowing more easily, these are labelled on the parking diagram. Please refer to the table to see which door you should use for your class- for recreational gymnastics, your collection door will be allocated prior to the first session and then remain the same each week. For squads, please ask your child's coach for clarification.
